Vision and Mission

Vision

Preparing the students with relevant and conceptualized professional skills and guiding them towards a bright future and career with the values of – Sincerity and Hard Work

Mission

To achieve 100% placement for students through dedication, attitude and complete involvement is our mission. Training and Placement Cell arranges and coordinates various programmes that aim at moulding the students so as to meet the industry expectations in career building and in turn bring laurels to the parent institution. The Training and Placement Cell, guided by a set of rules and principles, strives to maintain good relationship with industries. Preparing the recruitment schedule for the year, inviting corporates for pre-placement talks on the campus followed by final placements, and overseeing the process to its end, is the responsibility of the Training and Placement Cell. The Cell endeavours to carry out successfully all the processes methodically throughout the year.

4 Dimensional Model

Placement Cell interacts with the reputed organizations all over the country for arranging campus interviews for the final year students. We make efforts to organize technical seminars, workshops and corporate expectation sessions. Industry personnel are invited periodically to enrich the knowledge of our student community with the latest technological innovations and industry practices. We produce graduates who are well equipped to handle the working norms of the industry and commerce in the public and private sectors and helping every student to define his/her career interest through individual counselling through experienced counsellors.
