2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process

At Sivananda Sarma Memorial RV College Majority of the classrooms are ICT enabled with projector and Audio-Visual facilities and Wi-Fi enabled campus. The faculty members use various ICT enabled tools to augment the quality of Teaching-learning.

- During pandemic, as the situation was not conducive for offline classes, our institution used **Zoom, Google meet, Google class room, and such other platforms** to manage classes and post course relate - leaning material, quizzes, case analysis and assignments
  - The same platform was used for evaluation of students, through open book exams, and students presentations
  - Academic competitions virtually was conducted
- **Virtual labs** were used to conduct practical classes for students of add-on courses, with respect to digital marketing, data analytics, Artificial intelligence, ETDCA.
- Once the government regulations suggested to open up of classes, **blended method** were used to facilitate the students who were not in a position to attend the classes using the said online platforms
- During offline classes, faculty members used **AV facilities available at class room.** Students are encouraged to use give presentations
- College has 4 **Smart TV** which will help the faculty members to use it for teaching and the same can be stored in the TV for future requirements
- Due to unprecedented situation of pandemic during the academic year 20-21,online classes had to be stopped. College ensured that, this type of situation this should not affect the teaching-learning of students, for which our faculty members prepared **video lectures** and the same was uploaded to **YouTube videos**
- **E- Resources** are available at library. This include **Inflibnet, Delnet, Shodhganga** and various journals from professional bodies
- **Computer lab and Business lab** which has around 120 computers helped the students to have hands-on practical experience on the theory learnt at class rooms
- **Online Webinars and workshops** were organized by various academic clubs in association with IQAC to ensure that learning of faculty member also do not halt during pandemic
- College has **Seminar hall and Auditorium** with state of the art facilities to organize various seminar and conferences
- During online classes, in order to track the students attendance, **a software 'At campus'** of Azure was used to mark the attendance and the report of the same would be generated
- Institution use online platform to conduct '**Virtual talent hunt competitions**'
- **Online Certificate courses** – Faculty members are encouraged to take up MOOC, NPTEL, Coursera, and such other courses

SSMRV COLLEGE

Jayanagar, Bengaluru – 560041

Student Centric Methods for Academic Year – 2020-21
