REPORTS ON NCC ACTIVITIES

Patriotism helps in promoting brotherhood and belongingness among the citizens of a country. Corruption takes a back seat when the feeling of fraternity exists among the citizens. Also, the love for one's country creates a feeling of responsibility towards the countrymen and brings forth the best of their services, in various fields. For example when an IAS officer is a true patriot at heart, he will ensure that there is no corruption in his immediate system and best efforts are being delivered by his team. Similarly, doctors, soldiers, scientists, and people from every walk of life put their best efforts into serving their countrymen, when they have patriotism deep down in their hearts

In this aspect to mark 74th Indian Independence Day Our College NCC had Organised Online Webinar “Krantī” on 15th August 2020 Resource Person of the Event: Mr. Murthy R. (Retd. Hawaladar). Around 100 Cadets Participated in it.
