

SSMRV College Unveils MIT Square London's RAISE Centre Of Excellence

Dec 20, 2023

SHARE   

Bengaluru, Karnataka Dec 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - In a momentous occasion that echoed the aspirations of progress and ingenuity, the unveiling of the RAISE Centre of Excellence (CoE) by SSMRV College, RV Educational Institutions, reverberated with the promise of transformative change. The RAISE CoE is powered by [MIT Square](https://www.mit-square.com), London.

The inauguration ceremony was nothing short of a celebration of human intellect and collaborative spirit. Dignitaries, scholars, and pioneers from diverse disciplines converged to witness the birth of this hub of research and innovation, which aspires to redefine the landscape of technology and knowledge dissemination. Situated amidst the bustling corridors of innovation, this centre emerged as a beacon of hope, symbolizing a new era in the realm of technological advancement and creative exploration.

The ceremony commenced with the ceremonial lighting of the lamps, marking the official opening of the space that is poised to catalyze innovation across multiple domains. Dr Geetha R, Principal of SSMRV, is the director of this pioneering CoE initiative. With a wealth of experience and a passion for pushing the boundaries of knowledge, she will be playing a key role. Mr. Arunkumar Rajendran, the International Relations Officer, is the convener of the CoE. Dr M.S. Nagaraj (IQAC Coordinator) and Ms. Shanthi Krishna (HoD-Computer Applications) will be supporting the programs and activities offered by the CoE.

Ms. Bhuvaneshwari Loganathan (Co-founder & COO of [MIT Square](https://www.mit-square.com), Asia) was invited as the chief guest. "RAISE Centre of Excellence like this will serve as the nucleus for progress, fostering international collaboration, pushing boundaries, and driving innovation that can change the world. It's the engine that propels us into the future, tackling challenges, and creating opportunities," remarked Ms. Bhuvaneshwari during the inauguration ceremony.

Dr Mithileysh Sathiyarayanan, a young CEO and Scientist at [MIT Square London](https://www.mit-square.com), and Mr Suman Kumar Das, a Patent Consultant at MIT Square, Asia, were invited to give a talk on the importance of Intellectual Property Rights (IPR).

The keynote addresses, delivered by eminent personalities at the forefront of innovation, echoed a unified vision: to foster an ecosystem where creativity thrives, innovation and Intellectual Properties know no bounds. The discussions centered on leveraging emerging technologies, fostering interdisciplinary international collaborations, and promoting an ethos of continuous learning.

The RAISE Centre of Excellence isn't just a physical edifice; it embodies a commitment to pushing the envelope of what's possible. Equipped with state-of-the-art creative thinking space, collaborative spaces, and resources aimed at accelerating research and development, it stands as a testament to human potential and collective aspiration.

The inauguration of the RAISE Center of Excellence marks not just the beginning of a new chapter but the dawn of a new era--one characterized by relentless innovation, collaboration, and the unwavering pursuit of excellence.
