About RV Educational Institutions

Established in 1940 by the dedicated freedom fighter Sri M.C. Sivananda Sarma, RV Educational Institutions (**RVEI**) is among India's largest educational conglomerates with over 28 institutions, 24000 plus students and nearly 3000 employees across 20 locations. RV Educational Institutions (RVEI), governed by Rashtreeya Sikshana Samithi Trust (**RSST**), is recognised among the few value-based and quality-oriented educational groups in the country. Its flagship, R.V. College of Engineering® (RVCE), established in 1963, is a top-ranked college. **RV University** was started 5 years ago which is a gem in the crown of RVEI.

About SSMRV College

SSMRV College (Sivananda Sarma Memorial RV College), established in 1984, is a premier institution in Bengaluru committed to providing holistic and quality higher education. SSMRV has four decades of Legacy spinning in all the areas of academics, sports and cultural. In addition, each programme is supported by technical and non-technical clubs that nurture interdisciplinary learning and enhance student involvement beyond academics. With its learner-centric approach, SSMRV continues to shape competent professionals and responsible global citizens.

About ISDC

ISDC (International Skill Development Corporation) is a global education and skill development organisation that bridges the gap between academia and industry. It partners with universities and global bodies (like ACCA, CIMA) to offer world-class programmes and international qualifications in finance, business, and tech. ISDC enhances employability and global mobility through curriculum support and international academic collaborations.

About the Conference

The International Conference on "Innovation, Sustainability & Digital Transformation" gathers scholars and experts to explore forces shaping the global landscape. This multidisciplinary platform fosters dialogue and collaborative problem-solving across various fields. It examines how innovation and digital transformation redefine work, encouraging new ideas and strong academic-industry connections for a sustainable global future.

- Foster Cross-Disciplinary Collaboration
- Champion Sustainable Digital Solutions
- Develop Future-Ready Strategies
- Address Global Inequities and Access
- Build a Global Action Network

Guidelines for Submission

- Abstract - Not more than 300 words
- Full Paper - 4000 - 6000 words
- Title page - Title, Author, Designation, Professional Affiliation, Contact Details
- Font - Times New Roman
- Font Size - 12
- Line Spacing - 1.5
- Document - A4 size
- Margin Reference - 1 on all sides
- Citation Format - APA 7th Edition
- Tables and Graphs - Standard APA Format
- Plagiarism Check - Less than 10%
- Percentage of AI Content - Less than 20%

Please send the Abstract and full paper to
cccd2026.ssmrv@rvei.edu.in

Important Timelines

- | | |
|--------------------------------------------------------------|--------------------|
| • Last date for Abstract Submission | 8th Jan 2026 |
| • Notification of Acceptance of Abstract | 12th Jan 2026 |
| • Early Bird Offer - Discount Rates on full paper submission | 15th Jan 2026 |
| • Last Date for submission of Full Paper | 23rd Jan 2026 |
| • Last Date for payment of Registration fee | 27th Jan 2026 |
| • CCCD 2026 Conference | 5th & 6th Feb 2026 |

To avoid discrepancies in certificates, participants are requested to use the same personal details (full name, contact number, and email ID) throughout the registration and payment process.

Registration Details

Participants	Registration Fee (in Rs) (including GST)	Early Bird Registration (in Rs) (including GST)
Academicians	1,200	900
Research Scholars	1,200	900
Students	750	500
Industry Professionals	1,500	1,200
International Participants	USD 16	USD 13

- All the authors must **register and pay separately** to be eligible to receive the certificates.
- International participants are requested to make the registration payment in INR only, through the prescribed payment mode, irrespective of the USD amount indicated.

- Sustainable Aviation Practices, Green Airports, and Environmental Management
- Passenger Experience, Digital Services, Safety, and Well-being in Air Travel
- Innovation in Airline Business Models, Revenue Management, and Skill Development & Competitiveness

4. Computer Applications

- Artificial Intelligence, Machine Learning, and Intelligent Systems for Sustainability
- Data Analytics and Smart Decision Support Systems
- Cyber Security, Data Privacy, and Ethical Computing
- Cloud, Edge Computing, and Scalable Digital Infrastructure
- IoT, Blockchain, Automation, and Secure Smart Applications
- Human-Computer Interaction, Digital Well-being, and Technology-Enabled Learning

5. Engineering

- Engineering Solutions for Sustainable Development and Climate Resilience
- Smart Manufacturing, Industry 4.0, and Intelligent Systems
- IoT-Enabled Engineering Applications and Cyber-Physical Systems
- Circular Economy Technologies, Waste Reduction, and Resource Efficiency
- Renewable Energy Systems and Sustainable Power Technologies
- Advanced Materials, Robotics, and Automation for Sustainable Engineering

6. Science and Technology

- Healthcare, Biotechnology, and Translational Scientific Innovation
- Renewable Energy, Green Technologies, and Climate Action
- Climate Science, Environmental Sustainability, and Ecological Innovation
- Data-Driven Science, Digital Tools, and Research Analytics
- Advanced Materials, Nanotechnology, and Sustainable Manufacturing
- Space Science, Global Connectivity, and Frontier Technologies

7. Law & Humanities

- Ethics, Human Values, and Societal Impacts of Digital Technologies
- Policy Innovation, Law, and Global Governance for Sustainable Development
- Disaster Management, Resilience, and Human-Centred Sustainability Frameworks
