- To **demonstrate the features** and functionalities of the NDLI platform, including search, filtering, and personalized learning content.
- To **encourage a culture of digital reading** and online learning through accessible, multilingual, and subject-diverse resources.
- To **support inclusive education** by providing access to free and quality educational material to students from all backgrounds.
- To **familiarize participants** with the process of accessing NDLI on web and mobile platforms.
- To **improve academic outcomes** by integrating NDLI into the regular teaching and learning process.
- To **foster lifelong learning** by introducing a vast repository of knowledge for users across different age groups and educational levels.

Outcome of activity

- **Enhanced Awareness:** Participants gained a clear understanding of the purpose and benefits of the National Digital Library of India (NDLI).
- **Platform Familiarity:** Users became familiar with the NDLI interface, including how to search, filter, and access digital content effectively.
- **Increased Engagement:** There was an increase in user registrations and regular visits to the NDLI platform following the session.
- **Improved Access to Resources:** Participants learned how to access a wide range of academic materials, including books, articles, videos, and question papers, for free.
- **Digital Literacy Boost:** The session improved participants' confidence and skills in using digital tools for educational purposes.
- **Support for Academic Activities:** Students and faculty were equipped to use NDLI for research, teaching, exam preparation, and project work.
- **Promotion of Self-Learning:** Participants were encouraged to explore NDLI independently, promoting a habit of lifelong learning.
